

§ 9.5

§ 9.5 Payment of proceeds.

Proceeds shall be paid in accordance with provisions set forth in 38 U.S.C. 1970 and the following provisions:

(a) If proceeds are to be paid in installments, the first installment will be payable as of the date of death. The amount of each installment will be computed so as to include interest on the unpaid balance at the then effective rate.

(b) If, following the death of an insured member who has designated both principal and contingent beneficiaries and elected to have payment made in 36 equal monthly installments, the principal beneficiary dies before all 36 installments have been paid, the remaining installments will be paid as they fall due to the contingent beneficiary. At the death of such a contingent beneficiary, and in other instances of a beneficiary's death, where there is no contingent beneficiary, the value of any unpaid installments, discounted to the date of his or her death at the same rate used for inclusion of interest in the computation of installments will be paid, without further accrual of interest, in one sum to the estate of the beneficiary or contingent beneficiary last receiving payment.

(c) In instances where payment in installments is made at the election of the beneficiary, upon his or her request, the value of such installments as remain unpaid will be discounted to the date of payment at the same rate used for inclusion of interest in the computation of installments and paid to him or her in one sum.

(d) If a member whose coverage is extended due to total disability converts the group insurance to an individual policy which is effective before he or she ceases to be totally disabled or before the end of 1 year following termination of duty, whichever is earlier, and dies while group insurance would be in effect, except for such conversion, the group insurance will be payable, provided the individual policy is surrendered for a return of premiums and without further claim. When there is no such surrender, any amount of group insurance in excess of the

amount of the individual policy will be payable.

§ 9.7 Administrative decisions.

(a) Determinations of the Department of Veterans Affairs are conclusive under the policy with respect to the following:

(1) The status of any person being within the term *member* and whether or not he or she is covered at any point of time under the policy including *travel-time* under 38 U.S.C. 1967(b) and death within 120 days thereafter from a disability incurred or aggravated while on duty.

(2) The fact and date of a member's termination of active duty, or active duty for training, and the fact, date and hours of a member's performance of inactive duty training.

(3) The fact and dates with respect to a member's absence without leave, confinement by civilian authorities under a sentence adjudged by a civil court, or confinement by military authorities under a court-martial sentence involving total forfeiture of pay and allowances.

(4) The operation of the forfeiture provision provided in 38 U.S.C. 1973 with respect to any member.

(5) The existence of total disability or insurability at standard premium rates under 38 U.S.C. 1968.

(b) When determination is required on a claim that a member who waived coverage, or whose coverage was forfeited for one of the offenses listed under 38 U.S.C. 1973 was in fact insured, or that a member who elected to be insured was insured for an amount greater than the amount shown in the record, and there is no record of an application to be insured or to increase

the amount of insurance as required under 38 U.S.C. 1967(c):

(1) The person making the claim will be required to submit all evidence available concerning the member's actions and intentions with respect to Servicemembers' Group Life Insurance or Veterans' Group Life Insurance.

(2) Request will be made to the member's uniformed service and any other likely source of information considered necessary, for whatever evidence in the form of copies of payroll or personnel records, statements of persons having knowledge of the facts, etc., is essential to a decision in the matter.

Based on the evidence obtained, a formal determination will be made as to whether the member involved is deemed to have applied to be insured, or to be insured for an amount other than the amount shown in the record. The determination will include a finding as to the member's health status for insurance purposes based on the evidence available.

(Authority: 38 U.S.C. 1967)

(c) In making the determination required under paragraph (b) of this section, the following will be considered:

(1) The possibility that due to widespread geographic distribution, inadequate means of communication and the nature of the group insurance program, members may not be adequately and accurately informed, especially in time of war or military emergency, about the detailed requirements for obtaining insurance protection.

(2) Payroll deductions made without objection by a member, following waiver or termination of coverage, representing premiums for insurance or additional insurance, may, by virtue of continuity or the circumstances surrounding their initiation, be indicative that the member did apply. Such deductions without a formal application of record may be considered as evidence that the member's application was not in proper form or misplaced. They may also be considered as evidence that an application was not made solely because of erroneous or incomplete counseling or absence of counseling on the part of the responsible personnel of the uniformed service.

(d) Questions for determination under this section as well as those involving coverage of groups and classes of members and other questions are properly referable to the Assistant Director for Insurance. Authority to make any determinations required under this section is delegated to the Under Secretary for Benefits and Assistant Director for Insurance.
